SPIRITUAL FEST - 'YOUTH AWAKE'

Sr. Monica Kamei, BS, Dept. of Sociology, Holy Cross College, Agartala

The long awaited 'spiritual fest' was organized by **Holy Cross College, Xavier Board Unit** and was conducted by Jesus Youth Team, Shillong, Meghalaya, in our college auditorium on January 26-28, 2018. Fr. Emmanuel, Principal of HCC, Agartala, welcomed the six resource persons from Shillong and allowed them to introduce themselves to the gathering. There were over 100 participants including the students from St. Andre Higher Secondary School and the Department of Teacher Education from Durjoynagar campus.

It was amazing to see everyone zealous and enthusiastic and actively participating. Indeed, it was a memorable and a joyful time for all of us. During these three spirit filled days we felt God's love in the depths of our hearts. There were moments of grace and blessing when we prayed, shared and learnt together, read the Bible together, laughed, sang and danced together for the glory of God, as King David danced in praise of God. These days enabled us to have an introspection of our own lives, how much God loves us and blesses us.

This ignited our hearts and minds to love God and to be a blessing to everyone.

During the programme each one shared their personal experiences of God's love in their lives. The resource persons prepared our hearts and minds to have a meaningful penitential service where we all experienced the merciful love of God. The qualities of leadership presented by our friends from Shillong thoroughly challenged us.

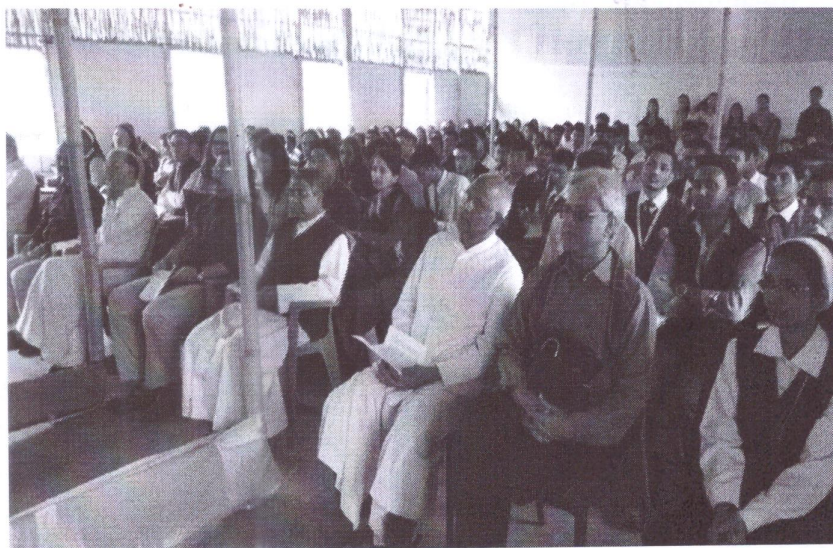

Each one felt the powerful presence of God and our hearts were like sponge in the water, we absorbed everything which enabled us to experience God's love personally. Recharged, revived and filled with the Holy Spirit all returned home praising God for He had done marvels in our lives.

We thank Fr. Emmanuel, our Principal, Fr. Shaji, Vice-Principal and Fr. Sijo, the Administrator for all the opportunities provided for our growth especially for organizing the spiritual fest. We also thank Sr. Marina, BS, Sr. Mariette and Sr. Sheela who helped us and accompanied us. We express our gratitude to Miss Bijimol and the Xavier Board Unit of our college who organized these three days successfully. Lastly, we thank Jesus Youth Team namely, Rapbor, Shembha, Arnelius, Badahun, Twincey Mary and Andriana. May God bless all and reward them bountifully.

After all, let's remember that it is our water and it belongs to the people", she added.

Dr. Sr. Annamma Philip also stated that “As the world faces growing water shortages, let us commit ourselves to educate and make current generations aware of the importance of water conservation, good practices of reducing consumption, effective utilization of waste water and so on”.
