Board welcomed  
with flowers

Enthusiastic young faculty  
from XB member colleges

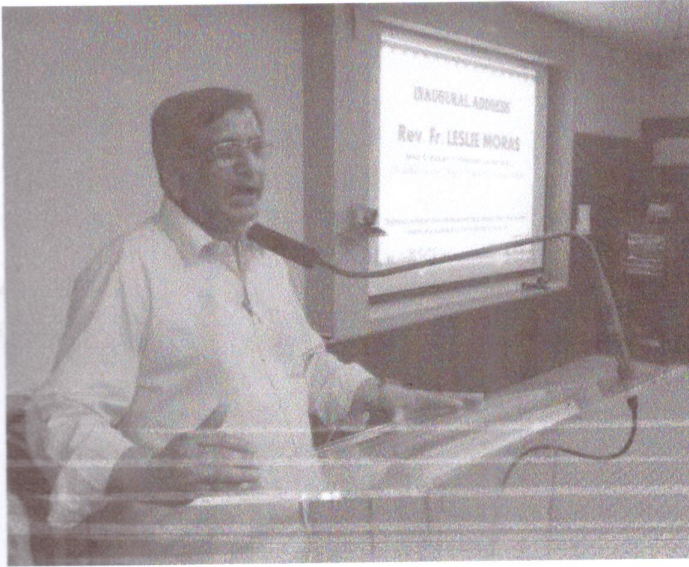

Dr. Sr. Arpana Principal, Mount Carmel College (Autonomous), and Joint  
Secretary, Xavier Board, welcomed the gathering.

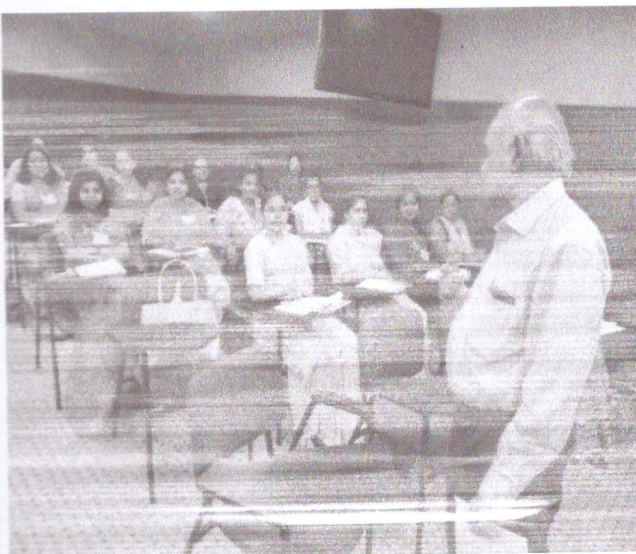

It was followed by a short message from Rev. Fr. Leslie Moras, President, Xavier Board and Dr. Sr. Annamma Philip FMM, Secretary General, Xavier Board

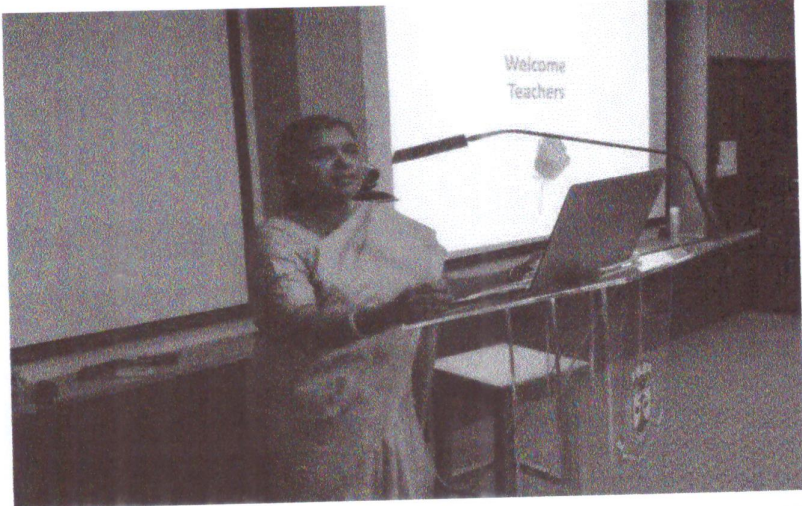

They passionately addressed the participants encouraging them to become better Teacher Professionals

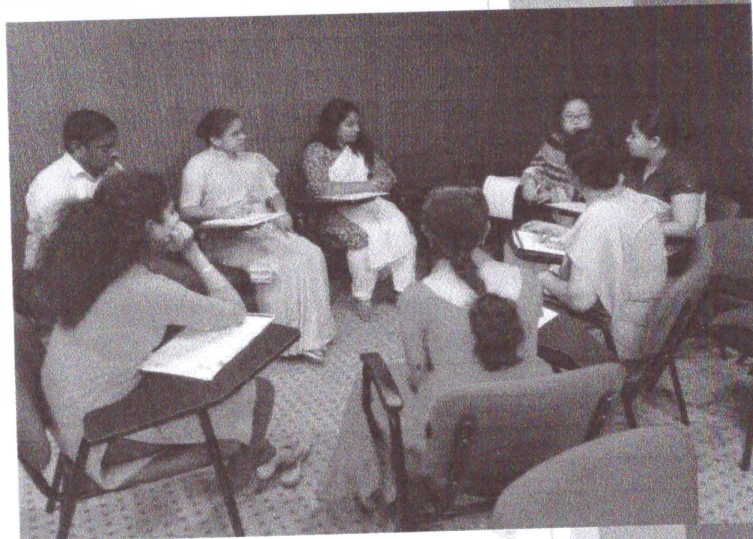

Prof. Albert Selvanayagam and Mr. Jatinder focused on Bloom's Taxonomy and its application to testing and learning situations and also gave the audience a clear understanding on how to create, understand, analyse, apply, evaluate, and remember when teachers introduce new concepts to the students.

Ms. Vimala, Dean of Science, Mount Carmel college gave a clear insight on how to develop strategies to become an effective teacher by being good role model for the students.

### PARTICIPANTS INVOLVED IN GROUP DISCUSSION

Dr. Fr. Joji Reddy stressed on the importance of research as an integral part of teaching and how every research should be a perception of one's mind. He also shared his own personal experiences as a successful

teacher cum researcher .He encouraged the faculty to focus on research and contribute to knowledge development.

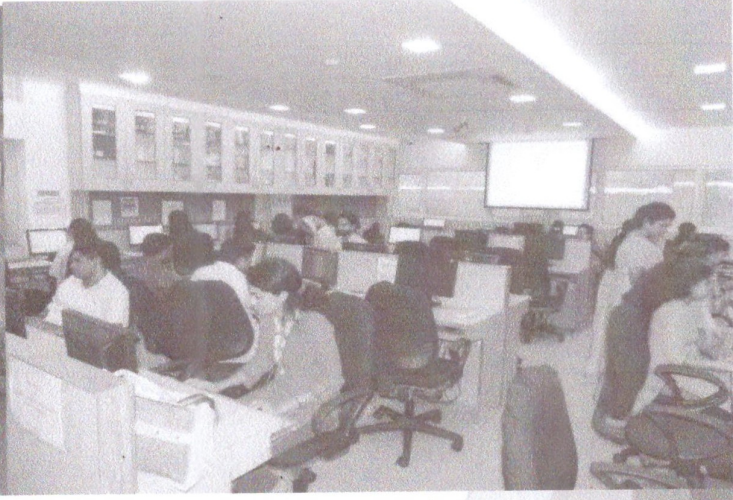

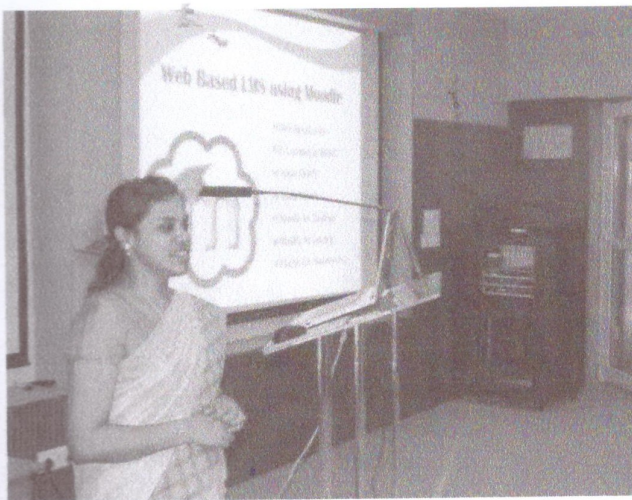

Dr. Ms. Ordetta Mendoza inspired the audience by making them aware of being better human beings and successful mentors.

Talking from her experience, Dr. Mendoza also spoke about the difficult situations faced by students and the role of teachers as mentors in their lives.

Dr. Sr. Annamma Philip, FMM, Secretary General, Xavier board shared her knowledge and experience by enlightening the audience about professional ethics – faculty rights & responsibilities and also the importance of adding some values in the work field.

Dr. Ms. Kavitha introduced the faculty to web based LMS using Moodle and helped them by taking them through an hour of practical session.

The last speaker Dr. E. Jerome Xavier focused on the passion and dedication which is needed among teachers to disseminate knowledge and pass on knowledge to the coming generations.
